1) Surprised dancer at the Homecoming Dance. 2) Senior Class float. 3) Berkley High School Homecoming Queen and Court. 4) Homecoming Queen Terry Novitsky and her escort, Dave Fautly. 5) Enthusiastic sophomores participate in the Homecoming Parade. 6) Queen, Court, and escorts pose at Homecoming Dance. 7) The Kimball effigy (before becoming the Berkley bonfire).

Homecoming

The traditional parade featuring the Homecoming Queen and Court, creative floats, the Marching Band, and countless spirited students kicked off 1975 Homecoming activities. That night students celebrated the expected rout of the Kimball team amidst the orange-red flames of the burning effigy. During the bonfire the Senior and Choir floats were awarded first and second place honors. Friday night at the football game, Berkley fans saw their team lose a hard fought contest, however the Bears' defeat did not dispirit the remaining Homecoming festivities. The weekend celebrations ended with the Homecoming dance where students danced to the music of Cathedral. For the Queen, Court, and all those participating, Homecoming 1975 was an unforgettable experience.

Spirit, Spirit, Let's Hear It!

Spirit Week consisted of five fun-filled, rollicking days of merriment and exhibitionism. It was a chance for the students of Berkley High to demonstrate their abundant spirit by carrying stuffed bears, wearing hats, and dancing to the rock 'n roll music at the sock hop in their cool 50's clothes. Even the normally sedate hall monitors showed their loyalty to BHS by participating in the Spirit Week activities.

Welcome Mr. Pugh

Mr. Pugh, the new Band/Orchestra instructor, just came to Berkley this year and loves it. The Band is the largest yet because of the large demand of sophomores that joined. Mr. Pugh also instructs the Pep Band and the Strings. He thinks that the students are enthusiastic and really into it this year. They stay after school until 4:00 playing the piano or guitar. He likes the school because most of the kids are highly academic.

Choir Activities

Mr. De Maria and President Barb "Jeanette MacDonald" Radecki led the Berkley High Choir in a highly successful musical season. The widespread appeal of the Choir has been summed up in the words of its president: "Alcoholics, greasers, and the intelligensia of the school. We like to sing and, um, we like to eat." The activities of the year included the formal Winter Concert and the Spring Concert held at Wayne State University, plus the popular, informal festivities, the Oktoberfest, and the Ice Cream Social.

1) The Women's Chorus performs at the Winter Concert. 2) Mr. De Maria leads the Choir in the traditional "Hallelujah Chorus." 3) Scott Klein and Ken Bloom provide accompaniment for the choir. 4) The Spring Concert, held at Wayne State, was the climax to the musical season.

Hilarity Erupts At TTW Fall Play

The Technical Theatre Workshop began another successful dramatic season with its fall production of "Barefoot in the Park." The hilarious Neil Simon comedy, which made thousands of dollars on Broadway, was not quite as financially profitable in the Berkley High School Little Theatre. Nevertheless, aspiring thespians Joel Heckler and Patti Kilby demonstrated their remarkable acting ability as the lead characters during the play's three performances under the skillful direction of Mr. Thompson. As it has done in the past, TTW will continue to produce entertainment of the highest quality.

1) Helen Strickler and Pam Luther make up Joel Heckler. 2) Director Mr. Thompson watches the action. 3) Joel Heckler in costume. 4) Lisa Jacobs, Evonne Baarse, and Jim Majors talk backstage.

TTW Presents A Suspense Thriller

VICTORIA'S HOUSE was the title of the spring play this year. It was a supernatural suspense thriller about a man who, after killing his first wife, changes his identity and attempts to murder his second wife. Paul Chanoine artfully portrayed the murderer, Neil Bannister, with fine performances by Valerie Marchione and Sandy Kinnunen as Victoria.

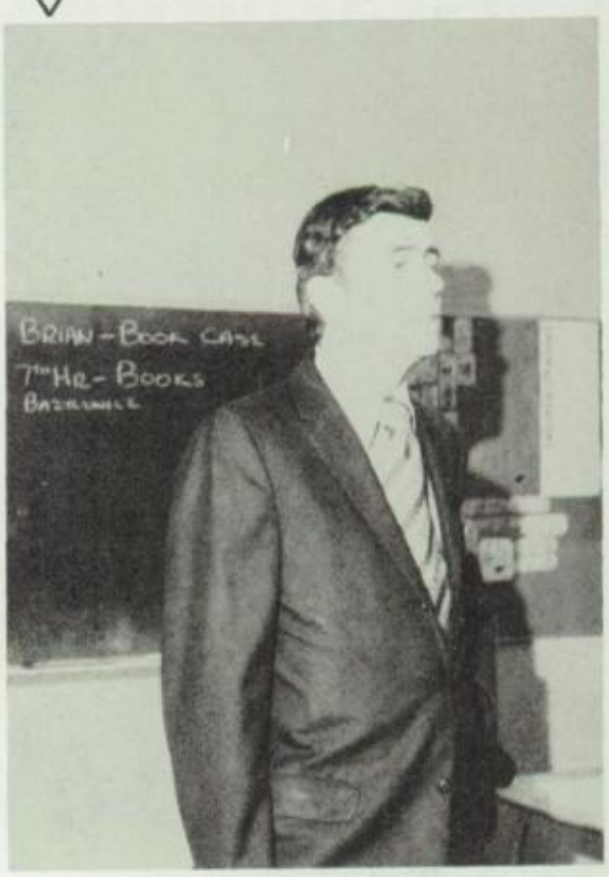
The guest speakers that came to Berkley High reflected the many interests of the students. Representatives of the fields of political science, biology, ecology, sociology, education, and mysticism were invited to discuss contemporary topics with Berkley High School students. In the area of politics, we were fortunate to have representatives of the three major parties in the election for governor. We learned of the plight of endangered species like the wolf, and endangered minorities like the migrant farm workers. Guest speakers have been, and will continue to be, an integral part of student life.



"Our Guest Speaker For Today Is . . ."

1) Mr. Lepler and James O'Neill, member of the State Board of Education. 2) Mrs. Beth Duman and her pet wolf, Nahanie. 3) Mr. Bob Lash speaks on Transcendental Meditation. 4) Speaker at a meeting of the PTSA. 5) Mrs. Vicki Levin, wife of gubernatorial candidate Sander Levin. 6) Superintendent of Berkley schools, Dr. Keane. 7) TV2 newsman Ron Sanders interviews frequent Berkley guest, Congressman Robert Huber. 8) Bill Milliken Jr. exchanges ideas with Bob Pearlmutter. 9) Mrs. McNulty, Human Rights candidate for Lt. Student Art For Sale

This year's Art Show must certainly be called a great success. Community support and action are increasing every year along with the attendance. Not only do parents and students of B.H.S. attend the show, but also citizens of Berkley and neighboring communities. At the Art Show students show off and sell their wares in such fields as: ceramics, weaving, painting, jewelry, metals, sculpture, and photography.

1) Carol Levine sits ready to sell jewelry at the show. 2) Judy Rothchild exhibits her talent for macrame. 3) Mr. Riwney and Mrs. Asher inspect some of the excellent painting and photographic displays. 4) Betsy Reich gives a jewelry making demonstration.

BHS Uses Progressive Method Of Registration

During the past year, Berkley High School undertook a method of registration that the students referred to as "college style registration." Because of a more positive student attitude toward school and teachers which resulted from personal student participation, Berkley's new registration procedure was again used this year. Students were given the opportunity to select their own courses, teachers, and period of the day, all within a framework of required and available classes. The majority of students and staff have indicated that this method of registration is far superior and more personal than our former computer type of scheduling.

1) Andi Morrell and Lori Nachman assist at the English Department table. 2) After completing their schedules, these students must look up the location of their classes. 3) Students line up to enroll in a popular course. 4) Martha Baily enjoys a peaceful moment before the start of registration. 5) Merlyn Struble, NCA member from Southfield-Lathrup, works on his report. 6) BHS representatives who assisted during the NCA evaluation. 7) Mr. Lowenthal talks to William Dennis. 8) Terry Novitsky and Mrs. Adamek.

B.H.S. Undergoes N.C.A. Evaluation

Berkley High School's self-evaluation (instituted by the North Central Association) was designed primarily to provide clearer and more insightful data for decision making on the part of all school personnel. For over a year we sought to identify our strengths and potential strengths, our basic weaknesses, and possible solutions to problems and recommendations for the future.

The cooperation of teachers, students, parents and other school personnel made it possible for us to collect this data which will be the basis for self-improvement in our quest for quality education for several years to come.

Berkley Students Train For Jobs

Vocational training plays an important role in the life of Berkley students. Students who participate have been trained to do their skill either part-time or after school. Some projects completed this year include the Bear Necessities, Day Care Nursery, and the remodeling of an entire house near the school. Students develop their skills in areas such as office work, auto mechanics, carpentry, child care, industrial education, work design sewing marketing and sales, and commercial art all at the South East Oakland Vocational Education Center. Many students have won fine awards for their fine work and skills.

1) Debbie Murphy bites her lip just in case her hairdresser pokes her with the bobby pin. 2) Bob Fons shows off his talent in "hotwiring" cars. 3) Mr. Meyer explains his ideas about "automotive complications" to his students. 4) The "Hardee Girls" Caryn Ryan and Nora Thompson wait anxiously to serve their next customers while Luke Jordan burns a hamburger trying to get in the picture. 5) Jim Sweet looks at his masterpiece at the Food Service Program at SEOVEC. 6) Tammie Gove inspects the items which are on sale at Judies Fine Fashions.

Female Endurance At Its Best: The Bicycle Marathon

The day was a nippy 4 C. Nonetheless, 94 biking enthusiasts from 14 cities in the greater Metropolitan area crushed into Berkley High School's all-weather racing track - the student parking lot - for an exciting first in the concept of bicycle marathons. They pedaled furiously late into the night. An anxious few were even seen toting camping gear onto the surrounding school grounds.

Big winner of the day was Barbara Radecki, a Huntington Woods resident, who piled up an amazing 9,706.4 laps around the tiny lot. "I'm even riding home on this old machine," she profoundly remarked, accepting a blanket of roses and free copies of MS. MAGAZINE.

Other outstanding participants were Nathan White, a notable Jewish philosopher, with a total of 8,936 times around the difficult course, and an unidentified elderly man who piled up 8,622 laps while mumbling the Quadratic Equation over and over.

The innovative event was sponsored by Berkley High School's own "Four-Pointers Club."

Students Visit Russia

One group of Berkley students spent their February break visiting the Soviet Union. The non-school sponsored trip was organized by Mr. Kenneth Barna, and was made up mostly of students in his Russian History class.

The group spent three nights each in Moscow and Leningrad. Highlights of the trip were performances of the Bolshoi and Kirov Ballets, and visits to the Kremlin, the Hermitage museum, and Catherine's Palace in Pushkin. The trip was very educational and enjoyed by all.

This year thirty students set a precedent in senior trips during the February vacation. The voyage, which was organized by Mike Lipshaw and Barb Griffin, had no school chaperones, so the seniors were on their own. Everything went well and everyone watched over each other. The weather was excellent, with the temperature staying in the 80's during the day. After seven days of sunbathing, shopping, dancing, and partying, the seniors reluctantly returned to Berkley High.

"You Are The Sunshine Of My Life"

This year's Junior-Senior Prom was a spectacular event. The people who attended it enjoyed the entertainment provided by the Ron L Four Band and comedian Mark Sweet.

The theme "You Are The Sunshine Of My Life" was seen in the shining faces of the enthusiastic crowd.

The prom goers had a memorable evening dining and dancing at the Club Venetian.

Bears Play At Disadvantage, But Earn Respectable Record

The 1974-75 VARSITY FOOTBALL TEAM was coached by Jerry Catalina and assistant coaches Paul Verska, Mike Robinson, Ted Stanczak, and Mark Wojociechowski. Team captains were Tim Nicholaou, Curtis Pope, and Jay Lentz.

The Bears ended the season with a respectable 4-5 record and a 2-3 SMA record. The two victories in league play were the first victories in two years. The Bears played at a disadvantage all season long. Due to the construction of the sports facilities the Bears played all nine games on the road.

There were two outstanding individual performances by seniors Jay Lentz, and Curtis Pope. Jay rushed for over 1,000 yards which earned him All-Area and All-SMA honors. Curtis Pope averaged over 15 tackles a game which earned him second team All-Area and first team All-SMA honors.

Third Year In SMA, Berkley Bears Go All The Way

Coach Steve Rhoads and his VARSITY BASKETBALL TEAM completed a very successful season with a 25-1 record. The Bears finished the regular season with a 20-0 record and won their third consecutive S.M.A. title. They went into the State Tournament, capturing District and Regional titles before bowing out in the quarterfinals to state champion, Highland Park.

Berkley was led by 6' 8-1/2" All-American, Bruce Flowers. Bruce, who averaged 28 points a game, was a big factor in Berkley's success. Pat Davenport, Mark Duckett and Bruce Flowers were named to the All-S.M.A. team. Bruce also received additional honors as he was named to the All-Area, All-Metro, All-State and Parade magazine first team. Outstanding individual performances combined with a good team effort to gain Berkley High School state-wide recognition for their fabulous basketball team. The players, coaches and fans were proud to be a part of the Berkley Bears.

Varsity Team Captures SMA Title

This season was another success for Berkley High's GIRLS VARSITY BASKETBALL TEAM. The girls team won the SMA league title with a record of 8-0.

The players put in a lot of time and effort for the team. They had practices four nights a week and played scrimmages against other high school teams in preparation for the basketball season. Their one defeat to Southfield-Lathrup did not hurt their SMA record or the spirit and pride of the team, it just made them practice harder for the next game.

Tennis Team Shows Promise

This is the second season for girls varsity sports. The TENNIS TEAM saw their season extended to ten regular games and also took to the courts for the State Regional and SMA Conference meets. The netters posted a 7-3 season record and took 3rd place in SMA competition. The team and Mrs. Spuhler were very proud to have had Alene Franklin and Lori Protas elected to the ten member All Conference Team. "We had a good season and look forward to next fall."

Duffers Dilemma

The season began and the talent was there.
The rest of the league was beware of the BEAR.

It didn't take long for the truth to emerge
This wasn't the year for the Golf Team to surge.

The sticks were flying, the balls were hopping,
But much too often the putts weren't dropping.

The final record read eight and seven,
The players sighed, "It's over, thank Heaven."

At the final banquet by the coach we were commended,
But deep down we knew, he was grateful it ended.

Cross Country

Berkley's CROSS COUNTRY TEAM had one of its best years ever in 1974. The Bears, coached by John Dowe, finished the season with an 8-3 overall record and 3-2 in the S.M.A., good for third place in the league behind strong Kimball and Hazel Park teams. Two of the Bear's losses came at the hands of unbeaten teams (Kimball and Troy) and the only other loss was a close 25-31 decision against Hazel Park, who lost only to Kimball in 1974. Senior Bill Holman was named the team's most valuable runner and junior Mike Peash took most improved honors. Senior Ed Watts joined Holman on the seven man all-S.M.A. team, and represented the Bears in the state meet. Other varsity letter winners were seniors Bryan Bell and Terry Clover, junior Ron Campbell, and sophomores Barry Bobrow, Carroll Moreton and Bill Anspach. The J.V.'s also finished 8-3 and took third place in the S.M.A. with a 3-2 mark. The J.V. letterwinners included seniors Ken Davis, Chris Schlenker, Mark Elliott, John Austerman, Mike Bell and sophomore Joe Carson. Despite the loss of several seniors, the Bears look forward to another good year in 1975 with some good runners returning and some new runners coming out for the team.

Bears Enjoy A Fine Season

This year's WRESTLING TEAM was one of Berkley's finest, winning 10 out of their 12 dual meets, the grapplers finished 2nd in the SMA conference. Not only did they have a fine record, but outstanding individual performances highlighted their season. Bob Lockhart made All-SMA in his weight class and won along with Jens Kuehne a district title. Meanwhile, Curtis Pope won at the District, Regional, and placed in the top 16 during the Michigan Class A Championship. Although many seniors will be leaving, Coach Finley predicts another exciting season next year.

Underclasspersons Strengthen Ski Team

This year was a year of building for both the boys and girls SKI TEAM. The boys team which contained eight sophomores, four juniors and only three seniors is looking forward to a very good season next year. Junior, Dave Butler, Berkley's most valuable skier placed seventh in the Divisional Meet out of sixteen teams in both the slalom and giant slalom contests.

This year the girls ski team made a fresh start after the majority of the team graduated last year. The girls showed considerable improvement as the season progressed. Rachel Katz placed ninth in the Regional Meet in the slalom. Kathy Walden was awarded the most valuable racer on the girls team for her outstanding performances throughout the season. Both teams are looking forward to a large turnout next year.

Volleyball Team — Best Ever

This year, the girls VOLLEYBALL TEAM ended their season with the best record they have ever had. The volleyball season started at the end of January and ended in April. Both the varsity and junior varsity teams were comprised of ten players each. The girls played two games a week for a total of ten games and practiced all other school days. This was the third year that the volleyball team was involved in interscholastic sports. The girls did a marvelous job while having fun and gained experience which should help them in the coming season.

Marching Band Has A Busy Season

The Berkley High School MARCHING BAND had a very successful season under the leadership of Drum Major Caryn Ryan, and Berkley's new Band Director Patrick Pugh. The Marching Band played and marched at three Berkley football games, Albion's Homecoming, in the Berkley Christmas Parade, and at Greenfield Village's Country Fair in May.

4

5

Two smaller, but important sections of the Band are the Flag Corps and Majorettes. Besides marching in formation with the band, these two groups make their own routines, which liven up and gives color to the Band. Julie Carlson and Maureen McBride were the Co-Captains of the Flag Corps while Laurel Barran was Captain of the Majorettes.

The Band worked to prepare half-time shows for the football games. They started practicing before school started in September and continued them all Fall at 7:00 A.M. every morning. Like the football team, the Band had to overcome problems caused by not having their own field to march on. Regardless of these problems, the Band, Mr. Pugh, and next year's Drum Major, Ray Buchalter look forward to another successful season.

The members of The 1974-75 MARCHING BAND are: T. Acker, L. Adler, B. Albright, K. Anderson, M. Ankerman, J. Aqwa, M. Arsht, J. Ash, Y. Baarse, D. Barnowski, L. Barran, T. Bates, E. Bazylewicz, E. Berkley Offers A Diversified Band Program

The CONCERT BAND provides the best instrumental music experience the school has to offer to about sixty talented musicians. Highlighting the year's activities was the debut of the band's energetic new conductor, Patrick M. Pugh, and the band's concert tour to Stratford, Ontario, where the band performed W. Francis McBeth's THE SEVENTH SEAL, Percy Grainger's arrangement of IRISH TUNE FROM COUNTY DERRY, and John Krance's arrangement of George Gershwin's AN AMERICAN IN PARIS. The band also performed three concerts in the Berkley gymnasium, at different schools in the district, and at the National Curling Championships in March at Cobo Hall. Other instrumental music organizations include the PEP BAND, which performed at five football games and at all the home basketball games; and two new groups: the ORCHESTRA and the DIXIELAND BAND. Both are off to successful and highly spirited starts.

Band officers are: President Richard Blauvelt, Vice-President Steve Patton, Treasurer Michael Good, Secretary Laura Adler, Drum Major Caryn Ryan, Ass't Drum Major Ray Buchalter, Pep Band President Mark Ankerman, and Uniform Manager Jessie Youngblood.

This year as in the previous 22 years, the ACAPELLA CHOIR is under the direction of Mr. William DeMaria. This year he is aided by choir President Barbara Radecki, Vice-President Cathi Price, Treasurer Vicki Vensel, Recording Secretary Nora Thompson, and Corresponding Secretary Elizabeth Johnston. Hours of practice are needed to keep up with the hectic schedule of the choir. Some of its more spectacular activities were singing at the schools throughout the district, Oktoberfest, the Winter Concert, Spring Concert, Ice Cream Social and Commencement. This group, like the choir, is very busy especially during the holiday season.

Under the leadership of President Matt Moses, Vice-President Terry Novitsky, Treasurer Margie King, Recording Secretary Lynn Stone, and Corresponding Secretary Barb Griffin this year's Student Council tried to promote and better the welfare of all Berkley High students. A few of this year's activities include spirit week in February, a Christmas Party for O.T.I., workdays, dances, and numerous other fundraisings. The Student Council also planned interesting assemblies they thought would entertain as well as educate Berkley High students.

The BERKLEY SCIENCE RESEARCH PROJECT was alive and kicking harder this year than it ever has been before. Besides working on the cyclotron, members broadened their interests and worked on experiments with a laser, cat dissection, and plant studies were continued in the greenhouse.

This year's officers are: Pres. Annette Zemon, Vice-Pres. Barbara Radecki, Sec. /Treas. Fred Rosenkranz, and Advisor Ms. Piatek.

M.C.C. Is Increasingly Popular

The MEDICAL CAREERS CLUB has been quite active this year under the leadership of Pres. Denise Bellard, Vice-Pres. Lorri Keeton, Treas. Joy Gignac and Sec. Beth Eickholdt. The club members listened to speakers from different medical occupations and went on field trips to hospitals and Wayne State University. This year the club is offering a scholarship to a deserving member who plans to have a medical career. The Medical Careers Club attributes its growing membership to the popularity of the medical profession. A vocation in the medical field insures an interesting and well-paid career. Due to its selectiveness, students find it advantageous to join the M.C.C. and gain a greater understanding of what is involved in the medical field.

Biology Club Decreases In Number, But Not In Activities

The B.H.S. BIOLOGY CLUB was again active this year. The members concentrated their efforts towards conservational and ecological involvement. In keeping with the Biology club goals, this year's float was not spray painted.

This year instead of just one five-day trip, the Biology club planned a three-day trip in the fall along with the regular five-day trip in the spring. Other planned excursions were a smelt fishing trip, and tobaggoning.

The officers this year included: Joel Blostein and Julie Wasieleioski, Co-Presidents, Vice Pres. Pattie Rose, Sec. Miriam Driker, and Treas. Matt Frisch. The Biology club had two sponsors this year: Ms. Carver and Mr. Lepler.

1) The Biology club Homecoming float: "The Knight Stalker." 2) Members of the Biology club pose for their picture. They are: Matt Frisch, Fred Brown, Joel Blostein, Howard Ross, Miriam Driker, and Jon Brand. 3) President Marty Pelker and member Dave Anderson talk things over with fellow WBBC members. 4) A few of WBBC club members at a meeting. 5) Members of WBBC pose for their picture.

WBBC Speaks Out

A new club at Berkley this year was the BROADCASTING CLUB. The club's objective for their first year, was to raise enough money to enable them to buy radio broadcasting equipment. To help raise money, WBBC sponsored an art auction. WBBC's future goal is to bring the high school, community of Berkley, and surrounding communities clean and honest entertainment through the means of radio broadcasting.

This year's officers were: Pres. Marty Pelker, Vice Pres. Larry Clark, Sec. Cindy Marrs, and Treas. Toni Norton. Their Sponsor was Mr. Ron Kinas.

Abundant Snow

A Skier's Delight

December's 20" snow blizzard was a welcome sight to Berkley's SKI CLUB members and gave the ski season a great start. Throughout the winter above average snowfalls covered the slopes with excellent conditions and enabled the club members to go skiing almost every week. The Ski Club officers are President Bryan Derington and Vice-President Julie Flynn. Their advisor is Mr. J. Brown.

4

Horse Lovers United

The HORSEBACKRIDING CLUB'S main purpose is to introduce and promote riding to Berkley High students. The club rides every week at Circle T Ranch weather permitting. They planned two campouts: one in the fall and one in the spring. The officers are: Pres. Linda Nauss, Vice-Pres. Karla Leve, Sec. Laurel Barran, Treas. Linda Rott and Advisor Mr. Jarvis.

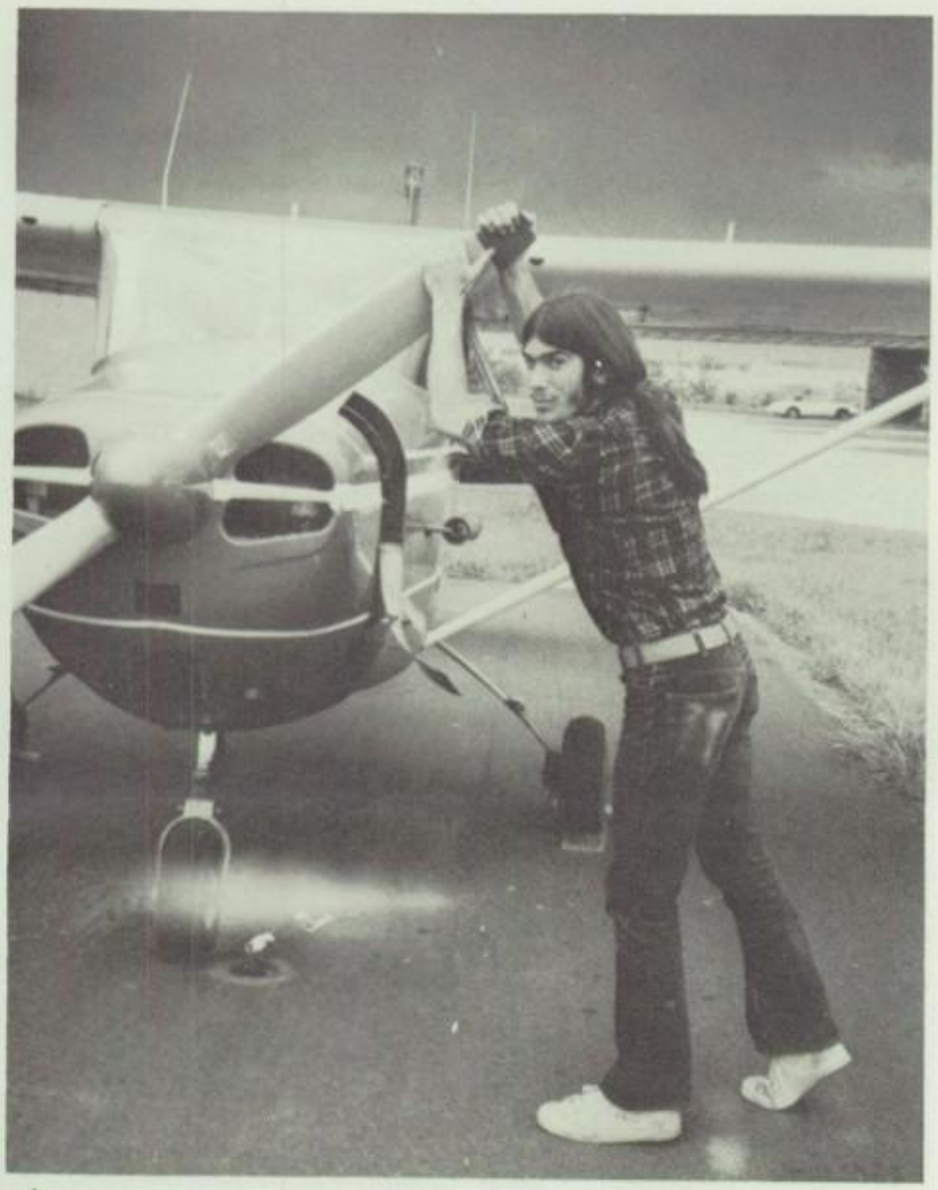
Aviation Club

The Aviation Club under the leadership of President Phil Raimi and Advisor Mr. Weigan enjoyed another successful and active year. The Aviation Club offers flight experience to interested students most of whom have previously or are presently taking Aero-Science. Two club members, Phil Raimi and Dennis Howard have extended their interest in aviation and after taking flying lessons are now ready to receive their pilot's licenses.

1) Scott Gordon practices his flying on a simulated control panel. 2) Randy Sagante checks the fuel before lift off. 3) Paul Sevin, propping the plane in the old fashioned way. 4) David Metiver does a pre-flight check on the plane. 5) Paul Sevin, Randy Sagante and David Metiver gaze at their plane. 6) Three Aviation Club Members check the plane's landing gear.



Varsity Club Raises School Spirit

The VARSITY CLUB is the only school sponsored club that places any restrictions on their membership. Varsity club members must have obtained a letter in a varsity sport. The intent of the varsity club is to promote good sportsman and womenship at the high school and to raise school spirit. Varsity club members were responsible for selling refreshments at all our home games. The members were looking forward to a canoe trip down the Au Sable River planned for the end of May.

Leadership in the club was provided by Pres. Eric Erickson, Vice Pres. Mark Duckett, Sec. Mike Williamson, and Treas. Kelley Murphy. Once again Mr. Wojociechowski served as sponsor.

GAA All For Good Clean Fun

The whole purpose of the GIRLS ATHLETIC ASSOCIATION is to involve all interested girls regardless of athletic ability, in intermural sports. The club planned bagel sales and other fund raising events to enable them to go camping and on field trips to Pitson Tiger games. Under the leadership of Pres. Cindy Thomas, Vice Pres. Bonny Flowers, Treas. Betsy Flowers, Sec. Vicki Greenwood, the club tries to promote good sportswomanship in all their activities. G.A.A.'s Sponsor is Ms. Davis.

Drama Club Membership Greatly Reduced

The DRAMA CLUB provides theatrical experience to Berkley High School students. Besides the possibility of acting in a school play, the members acted as ushers at Wayne State University's Bonstelle Theater. Many previously yearly activities didn't take place this year because of the club's dwindling membership and unattended meetings.

This year's club officers were: Pres. Marget Howel, Sec./Treas. Annie Marwil, and Vice Pres. Jo Gilmore. Ms. McQuaid was the Drama Club's sponsor.

Students' Artistic Abilities Expressed

Berkley's ART CLUB under the leadership of sponsor Ms. Waite, and club President Carol Merlihan prepared the club for another active year. The Art club started out the year by having their annual Halloween pumpkin carving workshop. Later on they had a candle making workshop. The purpose of the art club is to expand the members' knowledge of art and provide materials.

Library Serves Many Purposes

Berkley's library serves many practical uses besides reading, studying and checking out books. During lunch hours, it is frequented by so many students that it became necessary to restrict usage of the library to every other week. It is not uncommon to see students using the library as a place to play games, socialize with friends or concentrate on their homework. The librarians, Mr. Riwney and Ms. Sarver, act as resource people who are always willing to direct students to the information which they are seeking.

1) Margo Stollman, a participant in the Youth for Understanding program, discusses her upcoming trip to the Philippines with sponsor, Ms. Sarver. 2) Some students use the library for studying. 3) Brian Krasner and a friend play a quiet game of chess. 4) Chess is a popular game among Berkley students. 5) Amy Levin, Joy Fraleigh, and Jody Burton are officers of the French Club. 6) Members listen in a French Club meeting. 7) French Club members planned a luncheon with the teachers featuring homemade goodies. Michael Good, Amy Levin, Michael Share, Jody Burton, and Jenny Levin help themselves to lunch. 8) Club sponsor, Ms. Corcus raises a question.

Enthusiasm Sparks Success

Due to the eagerness of new members, the FRENCH CLUB had a very successful year. The new members, mostly sophomores and juniors, generated enthusiasm and hard work which was apparent in all the club's activities. Charlie Chaplin and Bowery Boys movies were used as fund raisings even though they weren't as popular as expected and didn't raise very much money. The club members also sponsored a French luncheon for the teachers with homemade French dishes. They enjoyed immensely experimenting in French cooking and sampling the food. The French Club was under the fine leadership of Pres. Jody Burton, Vice-Pres. Steve Dunn, Sec. Carol Fraleigh, Treas. Amy Levin and advisors, Ms. Arsenault and Ms. Corcus.

BHS Welcomes New Principal

At the beginning of the 1974-75 school year, BHS welcomed their new principal, Mr. George Blaney. He was chosen for the position out of a group of many candidates by a committee of teachers and members of the Board of Education. Mr. Blaney graduated from Wayne State University and previously was an assistant principal at a Detroit Junior High.

During his spare time Mr. Blaney likes to golf, fish, swim, and be with his family of four.

Board Of Education Sets Guidelines

The Board of Education establishes general guidelines for school policy. It controls school finances and is responsible for recruiting teachers and supplying funds for classroom materials. The members of the Board of Education are elected representatives from our community who are interested in elevating our level of education. They have initiated programs such as vocational education courses in the past and their present efforts are reflected in the physical education addition to our school, including a swimming pool, football field and other athletic facilities.

1) Mr. Blaney and Ms. Gartman share a joke while discussing work. 2) Mr. Blaney sits at his desk at his office. 3) Mr. Blaney is surrounded by a mob of ticket-seekers for the Berkley-Ferndale basketball game. 4) A meeting of the Board of Education. 5) Dr. Keane, the superintendent of Berkley schools.

Got A Problem — Go To Your Counselor

There are six counselors ready and willing to help you with your problems. You can consult them on matters regarding class schedule, future careers, and personal problems. They do their best to assist you in any way they can.

The Student Center structure has undergone some changes this year. Mr. Maxfield, formerly assistant principal at Student Center #2, has left his position at BHS to become a principal at one of the Berkley School District's elementary schools. Mr. Lowenthal and Mr. Cayen continue to be assistant principals at BHS.

Changes In The Library

The library staff has made a few changes, but the library is relatively the same as it has always been. Check out procedures have changed. Students now check out books near the only exit. This is to discourage theft and the disappearance of books. Last year 400 - 500 books were stolen.

The librarians act as a resource person by helping students find materials that they need. They also order books for the library.

An English Class A Day Keeps Illiteracy Away

The English Department has added two new classes, USA: Past, Present and Future and Women in Literature to its curriculum. The English classes of varying difficulty are designed to introduce students to many types of literature as well as helping them develop verbal, written and research skills. In addition to a six semester requirement students who are ambitious and have desire to enhance their creative and journalistic abilities may work on either of the school's two publications, the Spectator or Bear Tracks.

Math, Something For Everyone!

Mr. Arce, the Math Department head, said that the main goal of the Math Department is to provide mathematics to all levels of student ability and to enable a student to prepare for his career choice. The Math Department offers a large assortment of classes varying from business math to calculus.

The new teachers this year are: Ms. Jarvis returning from maternity leave, Ms. Trainor who returned to the department after a year in counseling, and Ms. Kemp who formerly taught at Anderson.

Science Department Offers Diversified Curriculum

Berkley High's Science Department provides students with the opportunity to improve their skills of logic and reasoning, and offers them insight into the nature of matter energy and many current social problems. Knowledge of science is fundamental as our society becomes more complex and technologically-oriented. The Science Department exposes students to many areas of science through a wide range of courses. To further diversify their curriculum, the Science Department has added a class in photography.

Social Studies Dept. Sets Goals

The Social Studies Department has many goals this year. Among them are the preparation of students for a politically active life as voting adults. The department sponsored a mock election for this purpose. Another goal is to make students aware of current events and contemporary developments, such as the Watergate Scandal. Other goals include the understanding of how past history affects the present affairs, learning about our society and societies of other cultures.

Hopefully, the students will be prepared to determine their life careers and to enter the work force. Through studying the various cultures of the world, students should be able to determine their own values.

Foreign Languages Have Many Applications

French, German, and Spanish are being taught at Berkley this year. Latin has been phased out of the language program due to the lack of student interest.

According to Mrs. Dadson, department head, foreign languages are intrinsic to mutual understanding and world peace, lead to a better appreciation of the art, music, and literature of other countries, make travel abroad more enjoyable, and prepare students for careers in which a foreign language is an asset or a necessity.

Art And Music

The Art and Music Departments are finding new enthusiasts and dimensions this year. Drawing, painting, jewelry, and ceramics are offered to art students, along with printmaking, which was revived for the second semester. Works are displayed throughout the school halls for people to see and enjoy. The bands and orchestra groups have a new director Mr. Pugh. The Acapella Choir, Women's Chorus and Madrigal continue to work hard under the inspiring guidance of Mr. DeMaria. In addition, the Art and Music Departments sponsor and participate in a wide variety of events, including parades, concerts, plays, and the annual art fair.

Industrial Education Dept.

The Industrial Education Department offers courses in wood shop, metal shop, drafting, and auto mechanics. Some students actually work on building projects away from the school. This year industrial education students worked on renovating a house located across Sunnyknoll.

These classes help prepare students for a life career in the industrial field.

Health And Child Care

These three teachers teach courses through which students learn to help other people in health-related fields. Classes such as child care, nurse aid, and medical and dental assistant are available to students who have future aspirations in these areas.

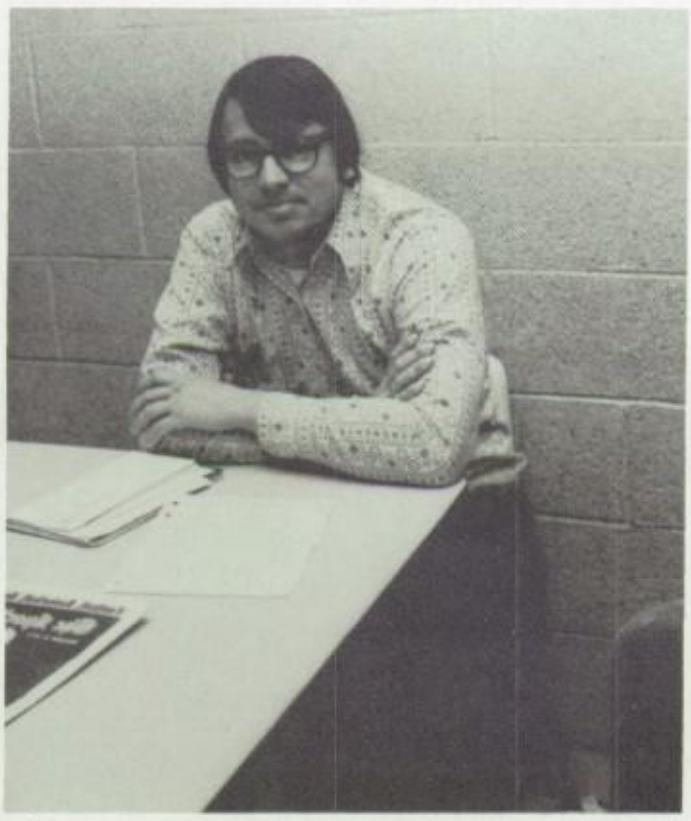
The skills and knowledge acquired through these classes are actually applied to help others. The co-op programs provide jobs and learning experiences for those who participate in them.

4

6

Shape Up In Gym

The Physical Education Department's goal is to help students obtain a strong and healthy body. To do this they offer various gym courses ranging from basic gym to Women's and Men's individual and team sports to basketball/track theory.



5

People Who Help

Mr. Wojciechowski and Ms. Wolff both nelp students who need special education. Mr. Mison became BHS's new disciplinarian this year. Each of these teachers, in their own way, are helping students who need some kind of special help.

PTSA Plans Many Programs

The PTSA is made up of a group of concerned parents, teachers and students whose efforts are directed at making school a more agreeable place for students and teachers alike while maintaining a high level of education. They discuss school policy and curriculum and make suggestions on improvement. The PTSA sponsored Career Night to assist students in planning their future by supplying information about the armed services, colleges throughout the state and financial aid. Their activities included helping organize the parent-teacher conferences.

The Busy Cafeteria Staff

Berkley High's cafeteria staff prepares meals for the entire school district. They get to work at 6:30 A.M. to freshly cook the day's meals. Most of the food is prepared by themselves.

B.H.S. has a problem of keeping the cafeteria clean. Students abuse their cafeteria privileges by leaving their empty lunch bags and wrappers scattered on the lunch table rather than placed in a garbage can. The staff keeps very busy by cleaning up after messy students and preparing the district's food. They work 216 hours a week and prepare 600 pounds of french fries, 250 pounds of flour, and 100 pounds of hot dogs each week.

Jack VanDeberg
September 24, 1956-March 7, 1975

The tragedy of our senior year
was the loss of a great friend,
Jack VanDeberg.

His unique personality and his
warm smile that shone
wherever he went, became a part of us all.

The everlasting memories of Jack
will remain within our hearts,
forever.
